

G.A.I.C.

September 19, 2007

Attendees: *Dan Nolte, Rita Cox, Brian Pillard, Michelle Zuhlke, Dennis Meyer, Chris Plock, James Lamphere, Terry Lowe, and Doug Thomas*

Approval Of Minutes:

The minutes from the July meeting were held over due to lack of quorum.

Statistics:

Web Trends (NT Stats)

Total NT Server hits for the month of August were down about 400,000 from the prior month. The largest decrease in hits came from the City Council who dropped 52.24% to a total of 115,737 hits, which is the lowest they have been in more than a year. Public Works had an all time high with a total of 1,153,577 hits for an increase of 43.75%. All of the twelve surrounding townships had decreases in hits, with the total for August being 19,882. Panama dropped 41.41% in hits.

Mainframe

The Multiprise Web hits stayed about the same as in July with a total of 419,754. Water had an all time high with 16,671 hits in August.

IMS/Images

The IMS/Image Server hits totaled 682,909 for the month of August.

CJIS

CJIS site hits had an all time high total of more than 1,255,000 hits, which now includes Court Date hits. Criminal History checks had an all time high with 4,917 hits.

Contractor Hits

The total Contractor hits for August were 21,828.

User Sessions

Total User Sessions for the month were down 33,685 from July, with a total of 618,619 and a daily average of 19,955. The number of users visiting 10 or more times remains over 8,000.

Epayments:

Individual Verisign Activity

On the revenue side, August had total collections of \$200,116.60 from 4,942 non-tax transactions. Animal license renewals had 151 transactions with total collections of \$3,333. There were 741 parking tickets paid on line totaling \$14,090 in collections. Criminal History reports reached an all time high with 815 requests totaling \$8,150 in collections. Swimming pool pass sales totaled more than \$120,000 from 865 total sold and most of those were sold before the pools were opened for the season. We continue to see usage growth in the parking lot reload activity. Event Parking had 1,839

transactions with total collections of \$29,351 in August, and there are still 5 home football games remaining this year. Water/Sewer on line collections continue to grow, with August having 1,375 paid transactions totaling \$144,325.65.

Epos Activity - County Property Taxes

County Property taxes totaled \$440,188.28 from 229 transactions.

Verisign Summary Activity

Total Verisign collections in August for the City were \$200,116.60 and the County's collections totaled \$440,188.28, with a combined total of \$640,304.88 from 5,171 paid transactions.

New Application Updates:

Google Map Implementation

A "Service Maps" option has been added to the web site. This site will enable you to find City interests such as schools, parks, libraries, recycling centers, etc.

Golf Virtual Tours/Reservation System

In the future Golf Courses may be accessed through "Service Maps". All 18 holes of Pioneers Golf Course virtual tour are available on the site. We intend to have all of the courses on line by next season with an ePay option for tee time reservations.

Vendor eBidding

Vendors are now able to register on line, and submit electronic bids to the purchasing division. The process of eBidding will eliminate a lot of paperwork for purchasing staff and should reduce their reproduction and mailing costs.

LB Site

Tracking and documenting the City's positions on State Legislation has been done for a number of years via a shared file and word processing. Terri Storer with the City Attorney's office has suggested that we create a secure system available via IntraLinc for internal use only.

.Net Training:

.Net training was held last week at Information Services. Jim A., Chris, and Nick from I.S. were in attendance, as well as 4 employees from Public Works, and 1 employee from the Department of Roads.

Digital Cities Survey:

Last year Lincoln placed 2nd in the Digital Cities Survey. We have received the survey for this year, and are in the process of completing for submission.

Other Business:

Michelle Zuhlke demonstrated the Public Works virtual tour of the Stormwater Bond Projects.

Next Meeting:
